# RENTAL PROGRAM

Our rental program allows you to rent office furniture for your work space on a month to month basis for a short term or long term need. Outlined below are the delivery rates and products available in our program, as well as the monthly pricing for each product.

If there is a product required that is not pictured, contact us and we can work with you to check availability and pricing.

## Delivery Charges:

- Delivery: \$135.00 (Minimum)
- Pick Up: \$135.00 (Minimum)

Additional charges may be assessed as required for additional furniture that is rented and based on our ability to provide the furniture to your location.

Please note: we do require that you have a loading dock and elevator in your building. If your building is only staircase accessible, additional delivery fees will be charged.

We do ask that you pay all delivery fees and the first month's rental fee prior to delivery. Billing will continue to be charged on a monthly basis on the 1st of each month on your credit card kept on file. Maryland Sales Tax is applied to the entire monthly payment.

As the renter of our furniture, you assume all responsibility for the furniture and must provide adequate insurance to cover all furniture in your possession during the duration of your rental program with PVI Office Furniture Plus.

All furniture is subject to on-hand availability.

**OFFICE FURNITURE PLUS+**  
FAST. EXCELLENT. AFFORDABLE. BUSINESS GROWS WITH PVI.

Effective April 21, 2022
